In the event that the BRL PTAX is not available, then the rate shall be determined by the Company in a manner that it deems commercially reasonable.

“**Valuation Period**” has the meaning set forth in Section 11(a)(iii).

“**Wholly Owned Subsidiary**” means, with respect to any Person, any Subsidiary of such Person, except that, solely for purposes of this definition, the reference to “more than 50%” in the definition of “Subsidiary” shall be deemed replaced by a reference to “100%”, the calculation of which shall exclude nominal amounts of the voting power of shares of Capital Stock or other interests in the relevant Subsidiary not held by such person to the extent required to satisfy local minority interest requirements outside of the United States.

#### Section 4. Dividends.

(a) Holders shall be entitled to receive dividends of the type and in the amount determined as set forth in this Section 4 (such dividends, “**Dividends**”).

(b) Accumulation of Dividends. Dividends on each Series A Preferred Share (i) shall accumulate on each Brazil Business Day from and including the Issuance Date of such share, whether or not declared and whether or not the Company has assets legally available to make payment thereof, at a rate equal to the Dividend Rate as further specified in this Section 4(b) and (ii) shall be payable quarterly in arrears, if, as and when authorized by the Board and declared by the Company, to the extent not prohibited by law, on each Dividend Payment Date, commencing on the first Dividend Payment Date following the Issuance Date of such share. The amount of Dividends accumulating with respect to any Series A Preferred Share for any Brazil Business Day shall be determined by dividing (x) the Implied Quarterly Dividend Amount as of such day by (y) the actual number of Brazil Business Days in the Dividend Payment Period in which such day falls; *provided* that if during any Dividend Payment Period any Accumulated Dividends in respect of one or more prior Dividend Payment Periods are paid, then after the date of such payment the amount of Dividends accruing with respect to any Series A Preferred Share for any Brazil Business Day shall be determined by dividing (x) the Implied Quarterly Dividend Amount (recalculated to take into account such payment of Accumulated Dividends) by (y) the actual number of Brazil Business Days in such Dividend Payment Period. The amount of Dividends payable with respect to any Series A Preferred Share for any Dividend Payment Period shall equal the sum of the daily Dividend amounts accumulated in accordance with the prior sentence of this Section 4(b) with respect to such share during such Dividend Payment Period. For the avoidance of doubt, for any Series A Preferred Share with an Issuance Date that is not a Dividend Payment Date, the amount of Dividends payable with respect to the initial Dividend Payment Period for such share shall equal the product of (A) the daily accumulation determined as specified in the prior sentence, assuming a full Dividend Payment Period in accordance with the definition of such term, and (B) the number of days from (and including) such Issuance Date to (but excluding) the next Dividend Payment Date.

(c) Payment of Dividend. With respect to any Dividend Payment Date, the Company will pay, to the extent permitted by applicable law, Dividends in the form of, in the Company’s sole discretion, (i) cash (any Dividend or portion of a Dividend paid in such cash, a “**Cash Dividend**”), if, as and when authorized by the Board and declared by the Company, (ii) as a dividend in kind, additional duly authorized, validly issued and fully paid and nonassessable Series A Preferred Shares (any Dividend or portion of a Dividend paid in the manner provided in this clause, a “**PIK Dividend**”) having value (as determined in accordance with the immediately following sentence) equal to the amount of Accumulated Dividends during such Dividend Payment Period or (iii) through a combination of either of the foregoing; *provided* that (A) Cash Dividend payments shall be aggregated per Holder and shall be made to the nearest cent (with each of R\$.005 and US\$.005 being rounded upward), (B) if the Company pays a PIK Dividend, no fractional Series A Preferred Shares shall be issued to any Holder (after taking into account all Series A Preferred Shares held by such Holder) and in lieu of any such fractional share, the Company shall pay to such Holder, at the Company’s option, either (1) an amount in cash equal to the applicable fraction of a Series A Preferred Share *multiplied by* the Liquidation Preference per Series A Preferred Shares or (2) one additional whole Series A Preferred Share, (C) with respect to any Dividend Payment Date where the Company pays a combination of a PIK Dividend and a Cash Dividend, the proportion of a Dividend paid to any Holder that consists of a PIK Dividend (the “**PIK Dividend Ratio**”) shall be the same as the PIK Dividend Ratio with respect to each Dividend paid to each other Holder that receives a Dividend on such Dividend Payment Date and (D) the Company shall not pay PIK Dividends once it has paid an aggregate of PIK Dividends such that the aggregate of all Series A Preferred Shares issued on the Original Issue Date and paid as PIK Dividends would, if each such share remained outstanding at such time, be convertible at the then-current Conversion Rate into an aggregate of 18,631,245 Class A Common Shares (as reduced by (x) the number of Class A Common Shares delivered as payment of any Redemption Price pursuant to Section 10(b) and (y) the number of any Class A Common Shares delivered as payment of Accumulated Dividends upon Optional Conversion pursuant to Section 6(a) or Mandatory Conversion pursuant to Section 7(a), and subject to adjustment in the same manner and at the same time as the Conversion Rate as set forth in Section 11). In the event that the Company pays a PIK Dividend, each Series A Preferred Share paid in connection therewith shall have a deemed value for such purpose equal to the Liquidation Preference per Series A Preferred Share, and the number of additional Series A Preferred Shares issuable to Holders in connection with the payment of a PIK Dividend will be, with respect to each Series A Preferred Share, and without limiting the foregoing *proviso* concerning fractional shares, the number (or fraction) obtained from the quotient of (1) the value (as determined in accordance with this Section 4(c)) of the applicable PIK Dividend per Series A Preferred Share *divided by* (2) the Liquidation Preference per Series A Preferred Share. Accumulated Dividends in respect of any prior Dividend Payment Periods may be paid on any date (whether or not such date is a Dividend Payment Date) if, as and when authorized by the Board, as declared by the Company.

(d) Arrearages. Dividends shall accumulate from the most recent date through which Dividends shall have been paid, or, if no Dividends have been paid on a Series A Preferred Share, from the Issuance Date of such share.

(e) Record Date. Dividends shall be paid *pro rata* to the Holders of Series A Preferred Shares entitled thereto. The record date for payment of Dividends that are declared and paid on any relevant Dividend Payment Date will be the close of business on the fifteenth (15<sup>th</sup>) day of the calendar month immediately preceding the calendar month which contains the relevant Dividend Payment Date (each, a “**Dividend Record Date**”), and the record date for payment of any Accumulated Dividends that were not declared and paid on any relevant Dividend Payment Date will be the close of business on the date that is established by the Board as such, which will not be more than forty-five (45) days prior to the date on which such Dividends are paid (each, an “**Accumulated Dividend Record Date**”), in each case whether or not such day is a Business Day.

(f) Priority of Dividends. So long as any Series A Preferred Shares remain outstanding (unless full Dividends on all outstanding Series A Preferred Shares have been declared and paid for all prior Dividend Payment Periods, or have been or contemporaneously are declared and a sum (for the avoidance of doubt, either in cash or in kind in accordance with Section 4(c) above) sufficient for the payment of those Dividends has been or is set aside for the benefit of the Holders), the Company may not declare any dividend on, or make any distributions relating to, Junior Stock or Parity Stock, or redeem, purchase, acquire (either directly or through any Subsidiary) or make a liquidation payment relating to, any Junior Stock or Parity Stock, other than:

(i) purchases, redemptions or other acquisitions of shares of Junior Stock in connection with any employment contract, benefit plan or other similar arrangement with or for the benefit of current or former employees, officers, directors, consultants or independent contractors;

(ii) purchases of Junior Stock through the use of the proceeds of a substantially contemporaneous sale of other shares of Junior Stock;

(iii) as a result of an exchange or conversion of Series A Preferred Shares or any class or series of Parity Stock or Junior Stock for any other class or series of Parity Stock (in the case of Parity Stock) or Junior Stock (in the case of Parity Stock or Junior Stock);

(iv) purchases of fractional interests in shares of Parity Stock or Junior Stock pursuant to the conversion or exchange provisions of such Series A Preferred Shares, Parity Stock or Junior Stock or the security being converted or exchanged;

(v) payment of any dividends in respect of Junior Stock where the dividend is in the form of the same stock or rights to purchase the same stock as that on which the dividend is being paid;

(vi) distributions of Junior Stock or rights to purchase Junior Stock; or

(vii) any dividend in connection with the implementation of a shareholders' rights or similar plan, or the redemption or repurchase of any rights under any such plan.

Notwithstanding the foregoing, for so long as any Series A Preferred Shares remain outstanding, if dividends are not declared and paid in full upon the Series A Preferred Shares and any Parity Stock, all dividends declared upon Series A Preferred Shares and any Parity Stock will be declared on a proportional basis so that the amount of dividends declared per share will bear to each other the same ratio that all accumulated and unpaid dividends as of the end of the most recent Dividend Payment Period per Series A Preferred Share and accumulated and unpaid dividends as of the end of the most recent dividend period per share of any Parity Stock bear to each other.

Subject to the provisions of this Section 4, dividends may be authorized by the Board and declared and paid by the Company on any Junior Stock and Parity Stock from time to time, subject to Section 4(g).

(g) Participating Dividends. In addition to Dividends accumulated under Section 4(b), Holders shall fully participate, on an as-converted basis, in any dividends declared and paid or distributions on Class A Common Shares as if the Series A Preferred Shares were converted pursuant to Section 6(a) into Class A Common Shares (without regard to any limitations on conversion) immediately prior to the Record Date for such dividend or distribution, at the Conversion Rate in effect on such Record Date (such dividend or other distribution on the Series A Preferred Shares, a "**Participating Dividend**"), as and when paid with respect to the Class A Common Shares and using the same Record Date as is used for the Class A Common Shares.

(h) Conversion Following a Record Date. If the Conversion Date for any Series A Preferred Shares is prior to the close of business on a Dividend Record Date or an Accumulated Dividend Record Date, the Holder of such shares will not be entitled to any dividend in respect of such Dividend Record Date or Accumulated Dividend Record Date, as applicable (for the avoidance of doubt, subject to Section 6(a) in respect of any Optional Conversion and Section 7(a) and Section 7(d) in respect of any Mandatory Conversion). If the Conversion Date for any Series A Preferred Shares is after a Dividend Record Date or an Accumulated Dividend Record Date, or after the Record Date for a Participating Dividend but prior to the corresponding payment date for such dividend, the Holder of such shares as of such Dividend Record Date or Accumulated Dividend Record Date or Record Date for such Participating Dividend, as applicable, shall be entitled to receive such dividend, notwithstanding the conversion of such shares prior to the applicable Dividend Payment Date or payment date for such Participating Dividend.

#### Section 5. *Liquidation Rights*.

(a) Liquidation. In the event of any voluntary or involuntary liquidation or winding up of the affairs of the Company, the Holders shall be entitled, out of assets legally available therefor, before any distribution or payment out of the assets of the Company may be made to or set aside for the holders of any Junior Stock, and subject to the rights of the holders of any Senior Stock or Parity Stock and the rights of the Company's existing and future creditors, to receive in full a liquidating distribution in cash and in the amount per Series A Preferred Share equal to the greater of (i) the sum of (A) the Liquidation Preference *plus* (B) the Accumulated Dividends with respect to such Series A Preferred Share as of the date of such voluntary or involuntary liquidation or winding up of the affairs of the Company and (ii) the amount the Holder would have been entitled to receive had such Holder converted such Holder's Series A Preferred Shares into Class A Common Shares at the Conversion Rate in effect immediately prior to such liquidation or winding up of the affairs of the Company. Holders shall not be entitled to any further payments in the event of any such voluntary or involuntary liquidation or winding up of the affairs of the Company other than what is expressly provided for in this Section 5 and will have no right or claim to any of the Company's remaining assets. For the avoidance of doubt, each Holder shall have the right to convert such Holder's Series A Preferred Shares pursuant to Section 6(a) prior to the effectiveness of any voluntary or involuntary liquidation or winding up of the affairs of the Company.

(b) Partial Payment. If in connection with any distribution described in Section 5(a), the assets of the Company or proceeds therefrom are not sufficient to pay in full the aggregate liquidating distributions required to be paid pursuant to Section 5(a) to all Holders and the liquidating distributions payable to all holders of any Parity Stock, the amounts distributed to the Holders and to the holders of all such Parity Stock shall be paid *pro rata* in accordance with the respective aggregate liquidating distributions to which they would otherwise be entitled if all amounts payable thereon were paid in full.

(c) Merger, Consolidation and Sale of Assets Not Liquidation. For purposes of this Section 5, the sale, conveyance, exchange or transfer (for cash, shares of stock, securities or other consideration) of all or substantially all of the property and assets of the Company shall not be deemed a voluntary or involuntary liquidation or winding up of the affairs of the Company, nor shall the merger, consolidation, statutory exchange or any other business combination transaction of the Company into or with any other Person or the merger, consolidation, statutory exchange or any other business combination transaction of any other Person into or with the Company be deemed to be a voluntary or involuntary liquidation or winding up of the affairs of the Company.

#### Section 6. *Optional Conversion By the Holders.*

(a) At any time each Holder shall have the right, at such Holder's option, subject to the conversion procedures set forth in Section 8, to convert each of such Holder's Series A Preferred Shares into (i) the number of Class A Common Shares equal to the Conversion Rate as of the applicable Conversion Date *plus* (ii) cash in lieu of fractional shares, if any, as provided by Section 11(j) *plus* (iii) the amount of Accumulated Dividends per Series A Preferred Share to, but excluding, the applicable Conversion Date, payable in cash or in Class A Common Shares, with each such Class A Common Share being valued for such purpose at the Average VWAP as of the relevant Conversion Date (an "**Optional Conversion**"); *provided* that no such Optional Conversion shall be permitted until the expiration or early termination of any applicable waiting period under the HSR Act with respect to any Optional Conversion of the Series A Preferred Shares; *provided further* that (x) if the applicable Conversion Date falls after a Dividend Record Date but on or prior to the Dividend Payment Date to which such Dividend Record Date relates, the consideration as set forth in clause (iii) shall not be payable upon such Optional Conversion and the Company shall instead pay the full amount of Accumulated Dividends to Holders of record as of such Dividend Record Date out of funds legally available for such payment and (y) Class A Common Shares shall not be paid in respect of Accumulated Dividends as set forth in clause (iii) in an amount that would cause the Company to no longer be able to pay PIK Dividends in accordance with clause (D) of the *proviso* in the first sentence of Section 4(c). The right of Optional Conversion may be exercised as to all or any portion of such Holder's Series A Preferred Shares from time to time; *provided* that, in each case, no right of Optional Conversion may be exercised by a Holder in respect of fewer than 1,000 Series A Preferred Shares (unless such Optional Conversion relates to all Series A Preferred Shares held by such Holder).

#### Section 7. *Mandatory Conversion By the Company.*

(a) At any time after the three (3)-year anniversary of the Original Issuance Date, if the Closing Price of the Class A Common Shares is greater than or equal to the Mandatory Conversion Price then in effect for at least twenty (20) Trading Days (whether or not consecutive) during any period of thirty (30) consecutive Trading Days with such period ending on, and including, the Trading Day immediately preceding the date of the Mandatory Conversion Notice (as defined below) (such thirty (30) consecutive Trading Day period, the "**Trading Period**"), the Company may, at the Company's sole discretion, elect to convert (a "**Mandatory Conversion**") all or any portion of the outstanding Series A Preferred Shares into Class A Common Shares (the date selected by the Company for any Mandatory Conversion pursuant to this Section 7(a), the "**Mandatory Conversion Date**"). In the case of a Mandatory Conversion, each Series A Preferred Share then outstanding shall be converted into (i) the number of Class A Common Shares equal to the Conversion Rate as of the applicable Conversion Date *plus* (ii) cash in lieu of fractional shares, if any, as provided by Section 11(j) *plus* (iii) the amount of Accumulated Dividends per Series A Preferred Share to, but excluding, the applicable Conversion Date, payable in cash or in Class A Common Shares, with each such Class A Common Share being valued for such purpose at the Average VWAP as of the date of the relevant Mandatory Conversion Notice; *provided* that (x) if the applicable Conversion Date falls after a Dividend Record Date but on or prior to the Dividend Payment Date to which such Dividend Record Date relates, the consideration as set forth in clause (iii) shall not be payable upon such Mandatory Conversion and the Company shall instead pay the full amount of Accumulated Dividends to Holders of record as of such Dividend Record Date out of funds legally available for such payment and (y) Class A Common Shares shall not be paid in respect of Accumulated Dividends as set forth in clause (iii) in an amount that would cause the Company to no longer be able to pay PIK Dividends in accordance with clause (D) of the *proviso* in the first sentence of Section 4(c).

(b) Mandatory Conversion Notice. If the Company elects to effect a Mandatory Conversion, the Company shall, on or prior to the Business Day following the completion of the applicable thirty (30) day Trading Period referred to in Section 7(a), provide notice of Mandatory Conversion to each Holder (such notice, a “**Mandatory Conversion Notice**”). For the avoidance of doubt, a Mandatory Conversion Notice does not limit a Holder’s right to convert on a Conversion Date prior to the Mandatory Conversion Date. The Mandatory Conversion Date selected by the Company shall be no less than ten (10) Business Days and no more than twenty (20) Business Days after the date on which the Company provides the Mandatory Conversion Notice to the Holders. The Mandatory Conversion Notice shall state, as appropriate:

- (i) the Mandatory Conversion Date selected by the Company; and
- (ii) the Conversion Rate as in effect on the Mandatory Conversion Date.

(c) Partial Mandatory Conversion. In the event that the Mandatory Conversion is exercised with respect to Series A Preferred Shares representing less than all the Series A Preferred Shares outstanding at such time, the shares to be converted shall be converted by the Company on a *pro rata* basis based on the then-outstanding Series A Preferred Shares.

(d) Dividend Make-Whole. If the Company elects a Mandatory Conversion Date occurring prior to the five (5)-year anniversary of the Original Issuance Date, on the date for delivery of the related consideration due upon such Mandatory Conversion as determined pursuant to Section 8, the Company shall also pay in cash to the converting Holder, for each Series A Preferred Share subject to such Mandatory Conversion, the sum of the Present Value of each scheduled quarterly Dividend that would have been paid on such Series A Preferred Share pursuant to Section 4(b) for each Dividend Payment Date occurring on or prior to such five (5)-year anniversary and with respect to which a Dividend Record Date has not occurred prior to the relevant Mandatory Conversion Date (calculated as of the relevant Mandatory Conversion Date and assuming, for the avoidance of doubt, that the Company elected to pay each such Dividend as a Cash Dividend).

Section 8. Conversion Procedures and Effect of Conversion.

(a) Conversion Procedure. A Holder must do each of the following in order to exercise such Holder's right to an Optional Conversion pursuant to Section 6(a):

(i) in the case of an Optional Conversion, complete and manually sign an irrevocable conversion notice in the form attached to this Certificate of Designations as Exhibit B (the "**Optional Conversion Notice**"), and deliver such notice to the Company and the Conversion Agent;

(ii) deliver to the Conversion Agent the certificate or certificates (if any) representing the Series A Preferred Shares to be converted;

(iii) if required, furnish appropriate endorsements and transfer documents; and

(iv) if required, pay any share transfer, documentary, stamp or similar taxes not payable by the Company pursuant to Section 20.

The foregoing clauses (ii), (iii) and (iv) shall be conditions to the issuance of Class A Common Shares to the Holders in the event of a Mandatory Conversion pursuant to Section 7. The Company shall deliver (or cause to be delivered) the Class A Common Shares by book-entry or through the facilities of The Depository Trust Company; *provided* that delivery shall be through the facilities of The Depository Trust Company, subject to Section 27(b).

The "**Conversion Date**" means (A) with respect to an Optional Conversion, the date on which such Holder complies with the procedures in this Section 8(a) (including the satisfaction of all conditions to such Optional Conversion set forth in the Optional Conversion Notice) and (B) with respect to any Mandatory Conversion pursuant to Section 7(a), the Mandatory Conversion Date.

(b) Effect of Conversion. Effective immediately prior to the close of business on the Conversion Date applicable to any Series A Preferred Shares, Dividends shall no longer accumulate or be declared on any such Series A Preferred Shares, and such Series A Preferred Shares shall cease to be outstanding.

(c) Record Holder of Underlying Securities as of Conversion Date. The Person or Persons entitled to receive the Class A Common Shares and, to the extent applicable, cash, securities or other property issuable upon conversion of Series A Preferred Shares with respect to a Conversion Date shall be treated for all purposes as the record holder(s) of such Class A Common Shares and/or cash, securities or other property as of the close of business on such Conversion Date. As promptly as practicable on or after the Conversion Date and compliance by the applicable Holder with the relevant procedures contained in Section 8(a) (and in any event no later than seven (7) Business Days thereafter), the Company shall issue the number of whole Class A Common Shares issuable upon conversion (and deliver payment of cash in lieu of fractional shares as set out in Section 11(j)) and, to the extent applicable, any cash, securities or other property issuable thereon or with respect thereto. Such delivery of Class A Common Shares, securities or other property shall be made, at the Company's option, by book-entry, through the facilities of The Depository Trust Company or in certificated form; *provided* that delivery shall be through the facilities of The Depository Trust Company, if practicable, and subject to Section 27(b). Any such certificate or certificates shall be delivered by or on behalf of the Company to the appropriate Holder on a book-entry basis, through the facilities of The Depository Trust Company, or by mailing certificates evidencing the shares to the Holders, in each case at their respective addresses as set forth in the Optional Conversion Notice (in the case of a conversion pursuant to Section 6(a)) or in the records of the Company or as set forth in a notice from the Holder to the Company and the Conversion Agent, as applicable (in the case of a Mandatory Conversion). In the event that a Holder shall not by written notice designate the name in which Class A Common Shares (and payments of cash in lieu of fractional shares) and, to the extent applicable, cash, securities or other property to be delivered upon conversion of Series A Preferred Shares should be registered or paid, or the manner in which such shares, cash, securities or other property should be delivered, the Company shall be entitled to register and deliver (or cause to be registered and delivered) such shares, securities or other property, and make or cause to be made such payment, in the name of the Holder and in the manner shown on the records of the Company.

(d) Status of Converted or Reacquired Shares. Series A Preferred Shares converted in accordance with this Certificate of Designations, or otherwise acquired by the Company in any manner whatsoever, shall be cancelled promptly after the conversion or acquisition thereof. All such shares shall, upon their cancellation, become authorized but unissued shares of Capital Stock, without designation as to series until such shares are once more designated as part of a particular class or series by the Board pursuant to the provisions of the Articles.

(e) Reservation of Class A Common Shares. The Company shall at all times reserve and keep available out of its authorized and unissued Class A Common Shares, solely for issuance upon a Conversion, such number of Class A Common Shares as shall from time to time be issuable upon a Conversion of all the Series A Preferred Shares then outstanding. Any Class A Common Shares issued upon a Conversion shall be duly authorized, validly issued, fully paid and nonassessable.

(f) Listing of Class A Common Shares. The Company shall, if at any time the Class A Common Shares shall be listed on the Nasdaq or any other national securities exchange or automated quotation system, and if permitted by the rules of such exchange or automated quotation system, list and use its commercially reasonable efforts to keep listed, so long as the Class A Common Shares shall be so listed on such exchange or automated quotation system, all Class A Common Shares issuable upon conversion of, or issuable in respect of the payment of a Redemption Price on, the Series A Preferred Shares.

#### Section 9. *Change of Control.*

(a) Repurchase at Option of Holders Upon a Change of Control. (i) If a Change of Control occurs at any time, each Holder shall have the right, at such Holder's option, to require the Company to repurchase (a "**Change of Control Repurchase**") all or any integral number of such Holder's Series A Preferred Shares on the date (the "**Change of Control Repurchase Date**") specified by the Company that is not less than five Business Days or more than fifteen (15) Business Days following the date of the Change of Control Company Notice, at the applicable Change of Control Repurchase Price, payable in cash out of funds legally available for such payment. The Change of Control Repurchase Date shall be subject to postponement to comply with applicable law.

(ii) Repurchases of Series A Preferred Shares under this Section 9(a) shall be made, at the option of the Holder thereof, upon:

(A) delivery to the Company and the Conversion Agent by a Holder of a duly completed irrevocable notice (the “**Change of Control Repurchase Notice**”) in the form attached hereto as Exhibit C, on or before the close of business on the fifth (5th) Business Day immediately preceding the Change of Control Repurchase Date; and

(B) delivery of the certificate or certificates (if any) representing the Series A Preferred Shares to be repurchased to the Conversion Agent at any time after delivery of the Change of Control Repurchase Notice (together with all necessary endorsements for transfer) at the office of the Conversion Agent, in each case such delivery being a condition to receipt by the Holder of the Change of Control Repurchase Price therefor.

The Change of Control Repurchase Notice in respect of any Series A Preferred Shares to be repurchased shall state:

(A) in the case of definitive, certificated shares, the certificate numbers of the shares to be delivered for repurchase;

(B) the number of shares to be repurchased, which must be an integer; and

(C) that the shares are to be repurchased by the Company pursuant to the applicable provisions of this Certificate of Designations.

The Conversion Agent shall promptly notify the Company of the receipt by it of any Change of Control Repurchase Notice.

(iii) On or before the fifth calendar day after the occurrence of the effective date of a Change of Control, the Company shall provide to all Holders and the Transfer Agent and Conversion Agent (in the case of a Conversion Agent other than the Transfer Agent) a written notice (the “**Change of Control Company Notice**”) of the occurrence of the effective date of the Change of Control and of the repurchase right at the option of the Holders arising as a result thereof. Such notice shall be delivered to the Holders as they appear in the records of the Company. Each Change of Control Company Notice shall specify:

(A) the events causing the Change of Control;

(B) the date of the Change of Control;

- (C) the last date on which a Holder may exercise the repurchase right pursuant to this Section 9;
- (D) the Change of Control Repurchase Price (or the method of determining the Change of Control Repurchase Price if not yet specifically determinable);
- (E) the Change of Control Repurchase Date;
- (F) the name and address of the Transfer Agent and the Conversion Agent;
- (G) the current Conversion Rate and any adjustments to the Conversion Rate;
- (H) that the Series A Preferred Shares with respect to which a Change of Control Repurchase Notice has been delivered by a Holder may no longer be converted; and
- (I) the procedures that Holders must follow to require the Company to repurchase their Series A Preferred Shares.

No failure of the Company to give the foregoing notices and no defect therein shall limit the Holders' repurchase rights or affect the validity of the proceedings for the repurchase of Series A Preferred Shares pursuant to this Section 9(a).

(iv) To the extent that the provisions of any securities laws or regulations conflict with the provisions of this Section 9 relating to the Company's obligation to repurchase the Series A Preferred Shares upon a Change of Control, the Company shall use its reasonable best efforts to effect such repurchase in accordance with this Certificate of Designations in a manner that complies with the applicable securities laws and regulations. The Company shall not be deemed to have breached its obligations under such provisions of this Section 9 by virtue of such conflict.

(v) Notwithstanding the foregoing, the Company shall not be required to purchase, or to make an offer to purchase, any Series A Preferred Shares upon a Change of Control if a third party makes such an offer in the same manner, at the same time, at the same price and otherwise in compliance with the requirements for an offer made by the Company as set forth in this Section 9 and such third party purchases all Series A Preferred Shares properly surrendered under its offer in the same manner, at the same time, at the same price and otherwise in compliance with the requirements for an offer made by the Company as set forth in this Section 9.

(b) Satisfaction of Change of Control Repurchase Price. (i) Subject to receipt of funds by the Conversion Agent, payment for shares surrendered for repurchase prior to the close of business on the fifth (5th) Business Day immediately preceding the Change of Control Repurchase Date will be made on the later of (x) the relevant Change of Control Repurchase Date (*provided* the Holder has satisfied the conditions in Section 9(a)) and (y) the time the delivery of such share to the Conversion Agent by the Holder thereof in the manner required by Section 9(a). Any cash payable on the Change of Control Repurchase Date shall be paid in USD in accordance with Section 29.

(ii) Until a Series A Preferred Share with respect to which the Holder has duly elected the Change of Control Repurchase is purchased by the payment in full (or the deposit with the Conversion Agent) of the applicable Change of Control Repurchase Price, such Series A Preferred Share will remain outstanding and will be entitled to all of the powers, designations, preferences and other rights provided herein; *provided* that no such Series A Preferred Shares with respect to which the Holder has elected the Change of Control Repurchase may be converted into Class A Common Shares. Upon payment in full (or the deposit with the Conversion Agent) of the applicable Change of Control Repurchase Price in respect of any Series A Preferred Shares subject to a Change of Control Repurchase, such Series A Preferred Shares will cease to be entitled to any dividends that may thereafter be payable on the Series A Preferred Shares, such Series A Preferred Shares will no longer be deemed to be outstanding for any purpose and all rights (except the right to receive the Change of Control Repurchase Price) of the Holder of such Series A Preferred Shares shall cease and terminate with respect to such Series A Preferred Shares.

(iii) Upon surrender of a certificate representing a number of Series A Preferred Shares greater than the number of shares to be repurchased pursuant to Section 9(a), the Company shall execute and the Transfer Agent shall countersign and deliver to the Holder a new certificate for a number of Series A Preferred Shares equal to the unreurchased portion of the certificate surrendered.

#### Section 10. *Redemption.*

(a) Redemption at the Option of the Company or the Holder.

(i) At any time on or after the seven (7)-year anniversary of the Original Issuance Date, the Company shall have the right (the “**Company Redemption Right**”) to redeem, in whole or, from time to time in part, the Series A Preferred Shares of any Holder outstanding at such time at a redemption price equal to (A) the sum of (x) the Liquidation Preference of the Series A Preferred Shares to be redeemed *plus* (y) the Accumulated Dividends with respect to such Series A Preferred Share to, but excluding, the applicable Redemption Date (unless the applicable Redemption Date falls after a Dividend Record Date but on or prior to the Dividend Payment Date to which such Dividend Record Date relates, in which case the Company shall instead pay the full amount of Accumulated Dividends to Holders of record as of such Dividend Record Date out of funds legally available for such payment and the Redemption Price shall not include such Accumulated Dividends), *multiplied by* (B) 105% (such price, the “**Redemption Price**”), payable as described in Section 10(b). Notwithstanding the foregoing, the Company will not exercise the Company Redemption Right, or otherwise send a Notice of Company Redemption in respect of the redemption of, any Series A Preferred Shares pursuant to this Section 10(a) unless the Company has sufficient funds legally available to fully pay the Redemption Price (or portion thereof to be paid in cash) in respect of all Series A Preferred Shares called for redemption. If fewer than all of the Series A Preferred Shares then outstanding are to be redeemed pursuant to this Section 10(a), then such redemption shall occur on a *pro rata* basis with respect to all Holders based on the total number of Series A Preferred Shares then held by such Holder relative to the total number of Series A Preferred Shares then outstanding.

(ii) At any time on or after the five (5)-year anniversary of the Original Issuance Date, each Holder shall have the right to deliver a notice to the Company to cause the Company to redeem all or any of the Series A Preferred Shares held by such Holder outstanding at such time at the Redemption Price (the “**Holder Redemption Right**”), payable as described in Section 10(b). To exercise the Holder Redemption Right, a Holder must deliver to the Company and the Conversion Agent a duly completed irrevocable notice (a “**Holder Redemption Request**”) in the form attached hereto as Exhibit D, specifying the certificate number(s) of the Series A Preferred Shares to be redeemed (if applicable), the whole number of Series A Preferred Shares to be redeemed, and that the Holder is requesting an exercise of the Holder Redemption Right with respect thereto.

(iii) To exercise the Company Redemption Right pursuant to this Section 10(a), the Company shall deliver written notice thereof (a “**Notice of Company Redemption**”) to the Holders and the Transfer Agent at least ten (10) days prior to the date designated therein for such redemption (the “**Company Redemption Date**”). Within fifteen (15) Business Days following the Company’s receipt of a Holder Redemption Request pursuant to this Section 10(a), the Company shall deliver written notice (a “**Notice of Holder Redemption**”) of the redemption of the Series A Preferred Shares specified in such Holder Redemption Request to the Holder(s) delivering such Holder Redemption Request and the Transfer Agent at least ten (10) days prior to the date designated therein for such redemption (the “**Holder Redemption Date**”). Each Notice of Redemption shall contain instructions whereby Holders will surrender to the Transfer Agent all Series A Preferred Shares specified to be redeemed by the Company, the method by which the Company has elected to settle such redemption in accordance with Section 10(b), and the amount of cash and/or Class A Common Shares comprising the Redemption Price.

(iv) From and after the Redemption Date, with respect to any Series A Preferred Shares specified to be redeemed by the Company and which has been redeemed in accordance with the provisions of this Section 10(a), or for which the Company has deposited an amount in cash and/or Class A Common Shares sufficient to satisfy the Redemption Price in respect of such share with the Transfer Agent, then (i) Dividends shall cease to accumulate on such share, (ii) such share shall no longer be deemed outstanding and (iii) all rights (except the right to receive the applicable Redemption Price) with respect to such share shall cease and terminate. Notwithstanding the preceding sentence, if the Redemption Date occurs after the Record Date for a Participating Dividend but prior to the corresponding payment date for such Participating Dividend, the Holder as of such Record Date of any Series A Preferred Shares to be redeemed shall be entitled to receive such Participating Dividend, notwithstanding the redemption of such shares prior to the applicable payment date for such Participating Dividend.

(v) A Notice of Company Redemption does not limit a Holder's right to effect an Optional Conversion on a Conversion Date prior to the relevant Redemption Date. No Series A Preferred Shares with respect to which the Holder has delivered a Holder Redemption Request may be converted into Class A Common Shares.

(b) Satisfaction of Redemption Price.

(i) The Company shall satisfy each Redemption Price in cash in accordance with Section 29 to each Holder that has complied with the instructions set forth in the relevant Notice of Redemption, in an amount equal to the Redemption Price of the Series A Preferred Shares in respect of which such Holder has complied with such instructions in accordance herewith; *provided* that the Company shall have the right, in its sole discretion and by written notice included in the relevant Notice of Redemption, to satisfy all or any portion of the Redemption Price by delivery of Class A Common Shares, with each such Class A Common Share being valued for such purpose at the Average VWAP as of the relevant Redemption Notice Date *multiplied by 97%*; *provided further* that (x) in no event shall any Redemption Price per Series A Preferred Share be satisfied in Class A Common Shares in a number in excess of 124.2083 Class A Common Shares (subject to adjustment in the same manner and at the same time as the Conversion Rate as set forth in Section 11), (y) in no event shall the aggregate number of Class A Common Shares delivered in respect of any Redemption Price hereunder exceed 18,631,245 Class A Common Shares (as reduced by (1) the aggregate number of Class A Common Shares into which all Series A Preferred Shares issued on the Original Issue Date and paid as PIK Dividends would, if each such share remained outstanding at such time, be convertible into at the then-current Conversion Rate and (2) the number of any Class A Common Shares delivered as payment of Accumulated Dividends upon Optional Conversion pursuant to Section 6(a) or Mandatory Conversion pursuant to Section 7(a), and subject to adjustment in the same manner and at the same time as the Conversion Rate as set forth in Section 11) and (z) the Company may only elect to satisfy the applicable Redemption Price through delivery of Class A Common Shares if the Class A Common Shares are listed on a national securities exchange as of the applicable Redemption Notice Date.

(ii) Subject to receipt of funds and/or Class A Common Shares, as applicable, by the Conversion Agent, payment for shares surrendered for Redemption will be made on the later of (x) the relevant Redemption Date and (y) the time of book-entry transfer or the delivery of such share to the Conversion Agent by the Holder thereof. Such delivery of Class A Common Shares, securities or other property shall be made, at the Company's option, by book-entry, through the facilities of The Depository Trust Company or in certificated form; *provided* that delivery shall be through the facilities of The Depository Trust Company, if practicable, and subject to Section 27(b). Any such certificate or certificates shall be delivered by or on behalf of the Company to the appropriate Holder on a book-entry basis, through the facilities of The Depository Trust Company, or by mailing certificates evidencing the shares to the Holders, in each case at their respective addresses as set forth in the records of the Company or as set forth in a notice from the Holder to the Company and the Conversion Agent. In the event that a Holder shall not by written notice designate the name in which Class A Common Shares should be registered, or the manner in which such shares should be delivered, the Company shall be entitled to register and deliver (or cause to be registered and delivered) such shares in the name of the Holder and in the manner shown on the records of the Company.

(iii) The person or persons entitled to receive the Class A Common Shares issuable upon a Redemption, if any, shall be treated for all purposes as the record holder(s) of such Class A Common Shares as of the close of business on the applicable Redemption Notice Date.

(c) Partial Redemption. In the event that a Redemption is effected with respect to Series A Preferred Shares representing less than all the Series A Preferred Shares held by a Holder, upon such Redemption, the Company shall execute and the Transfer Agent shall countersign and deliver to such Holder, at the expense of the Company, a certificate representing the Series A Preferred Shares held by the Holder as to which a Redemption was not effected (or book-entry interests representing such shares).

(d) Status of Redeemed Shares. Series A Preferred Shares that are redeemed, repurchased or otherwise acquired by the Company shall revert to authorized but unissued shares of Capital Stock without designation as to class or series.

#### Section 11. *Anti-Dilution Adjustments*.

(a) Adjustments. The Conversion Rate will be subject to adjustment, without duplication, upon the occurrence of the following events, except that the Company shall not make any adjustment to the Conversion Rate if the Holders of the Series A Preferred Shares participate (pursuant to Section 4(g) or otherwise), at the same time and upon the same terms as holders of Class A Common Shares and solely as a result of holding Series A Preferred Shares, in any transaction described in this Section 11(a), without having to convert their Series A Preferred Shares, as if the respective Holders held such whole number of Class A Common Shares into which the number of Series A Preferred Shares held by such respective Holders are then convertible pursuant to Section 6(a) (without regard to any limitations on conversion):

(i) If the Company issues Class A Common Shares as a dividend or distribution on the Class A Common Shares, or if the Company effects a share split, share combination or reclassification of the Class A Common Shares into a greater or lesser number of shares, the Conversion Rate shall be adjusted based on the following formula:

$$CR' = CR_0 \times \frac{OS'}{OS_0}$$

where,

$CR_0$  = the Conversion Rate in effect immediately prior to the close of business on the Record Date of such dividend or distribution, or immediately prior to the open of business on the Effective Date of such share split or share combination, as applicable;

- CR' = the Conversion Rate in effect immediately after the close of business on such Record Date or immediately after the open of business on such Effective Date, as applicable;
- OS<sub>0</sub> = the number of Class A Common Shares outstanding immediately prior to the close of business on such Record Date or immediately prior to the open of business on such Effective Date, as applicable (before giving effect to any such dividend, distribution, split or combination); and
- OS' = the number of Class A Common Shares outstanding immediately after giving effect to such dividend, distribution, share split or share combination.

Any adjustment made under this Section 11(a) shall become effective immediately after the close of business on the Record Date for such dividend or distribution, or immediately after the open of business on the Effective Date for such share split or share combination, as applicable. If any dividend or distribution of the type described in this Section 11(a) is declared but not so paid or made, the Conversion Rate shall be immediately readjusted, effective as of the date the Board determines not to pay such dividend or distribution, to the Conversion Rate that would then be in effect if such dividend or distribution had not been declared.

(ii) If the Company issues to all or substantially all holders of the Class A Common Shares any rights, options or warrants (other than pursuant to a shareholder rights plan) entitling them, for a period of not more than 60 calendar days after the announcement date of such issuance, to subscribe for or purchase Class A Common Shares at a price per share that is less than the average of the Closing Prices of the Class A Common Shares for the 10 consecutive Trading Day period ending on, and including, the Trading Day immediately preceding the date of announcement of such issuance, the Conversion Rate shall be increased based on the following formula:

$$CR' = CR_0 \times \frac{OS_0 + X}{OS_0 + Y}$$

where,

- CR<sub>0</sub> = the Conversion Rate in effect immediately prior to the close of business on the Record Date for such issuance;
- CR' = the Conversion Rate in effect immediately after the close of business on such Record Date;
- OS<sub>0</sub> = the number of Class A Common Shares outstanding immediately prior to the close of business on such Record Date;
- X = the total number of Class A Common Shares issuable pursuant to such rights, options or warrants; and

Y = the number of Class A Common Shares equal to the aggregate price payable to exercise such rights, options or warrants, *divided by* the average of the Closing Prices of the Class A Common Shares over the 10 consecutive Trading Day period ending on, and including, the Trading Day immediately preceding the date of announcement of the issuance of such rights, options or warrants.

Any increase made under this Section 11(a)(ii) shall be made successively whenever any such rights, options or warrants are issued and shall become effective immediately after the close of business on the Record Date for such issuance. To the extent that Class A Common Shares are not delivered after the expiration of such rights, options or warrants, the Conversion Rate shall be decreased to the Conversion Rate that would then be in effect had the increase with respect to the issuance of such rights, options or warrants been made on the basis of delivery of only the number of Class A Common Shares actually delivered. If such rights, options or warrants are not so issued, the Conversion Rate shall be decreased to the Conversion Rate that would then be in effect if such Ex-Dividend Date for such issuance had not occurred.

For purposes of this Section 11(a)(ii), in determining whether any rights, options or warrants entitle the holders to subscribe for or purchase Class A Common Shares at less than such average of the Closing Prices of the Class A Common Shares for the 10 consecutive Trading Day period ending on, and including, the Trading Day immediately preceding the date of announcement for such issuance, and in determining the aggregate offering price of such Class A Common Shares, there shall be taken into account any consideration received by the Company for such rights, options or warrants and any amount payable on exercise or conversion thereof, the value of such consideration, if other than cash, to be determined by the Company.

(iii) If the Company distributes shares of its Capital Stock, evidences of its indebtedness, other assets or property of the Company or rights, options or warrants to acquire its Capital Stock or other securities, to all or substantially all holders of the Class A Common Shares, excluding (A) dividends, distributions or issuances as to which an adjustment was effected pursuant to Section 11(a)(i) or Section 11(a)(ii), (B) dividends or distributions paid exclusively in cash as to which the provisions set forth in Section 11(a)(iv) shall apply, (C) distributions of Reference Property in exchange for, or upon conversion of, Class A Common Shares in a Reorganization Event, (D) except as otherwise provided in Section 11(h), rights issued pursuant to any shareholder rights plan of the Company then in effect and (E) Spin-Offs as to which the provisions set forth below in this Section 11(a)(iii) shall apply (any of such shares of Capital Stock, evidences of indebtedness, other assets or property or rights, options or warrants to acquire Capital Stock or other securities, the “**Distributed Property**”), then the Conversion Rate shall be increased based on the following formula:

$$CR' = CR_0 \times \frac{SP_0}{SP_0 - FMV}$$

where,

CR<sub>0</sub> = the Conversion Rate in effect immediately prior to the close of business on the Record Date for such distribution;

- CR' = the Conversion Rate in effect immediately after the close of business on such Record Date;
- SP<sub>0</sub> = the average of the Closing Prices of the Class A Common Shares over the 10 consecutive Trading Day period ending on, and including, the Trading Day immediately preceding the Ex-Dividend Date for such distribution; and
- FMV = the fair market value (as determined by the Company) of the Distributed Property with respect to each outstanding Class A Common Share on the Record Date for such distribution.

Any increase made under the portion of this Section 11(a)(iii) above shall become effective immediately after the close of business on the Record Date for such distribution. If such distribution is not so paid or made, the Conversion Rate shall be decreased to the Conversion Rate that would then be in effect if such distribution had not been declared. Notwithstanding the foregoing, if “FMV” (as defined above) is equal to or greater than “SP<sub>0</sub>” (as defined above), in lieu of the foregoing increase, each Holder shall receive, in respect of each Series A Preferred Share, at the same time and upon the same terms as holders of the Class A Common Shares receive the Distributed Property, the amount and kind of Distributed Property such Holder would have received if such Holder owned a number of Class A Common Shares equal to the Conversion Rate in effect on the Record Date for the distribution.

With respect to an adjustment pursuant to this Section 11(a)(iii) where there has been a payment of a dividend or other distribution on the Class A Common Shares of shares of Capital Stock of any class or series, or similar equity interest, of or relating to a Subsidiary or other business unit of the Company, that are, or, when issued, will be, listed or admitted for trading on any national securities exchange (a “**Spin-Off**”), the Conversion Rate shall be increased based on the following formula:

$$CR' = CR_0 \times \frac{FMV_0 + MP_0}{MP_0}$$

where,

- CR<sub>0</sub> = the Conversion Rate in effect immediately prior to the end of the Valuation Period;
- CR' = the Conversion Rate in effect immediately after the end of the Valuation Period;
- FMV<sub>0</sub> = the average of the Closing Prices of the Capital Stock or similar equity interest distributed to holders of the Class A Common Shares applicable to one Class A Common Share (determined by reference to the definition of Closing Price as if references therein to Class A Common Shares were to such Capital Stock or similar equity interest) over the first 10 consecutive Trading Day period after, and including, the Ex-Dividend Date of the Spin-Off (the “**Valuation Period**”); and
- MP<sub>0</sub> = the average of the Closing Prices of the Class A Common Shares over the Valuation Period.

The increase to the Conversion Rate under the preceding paragraph shall occur at the close of business on the last Trading Day of the Valuation Period; *provided* that in respect of any conversion of Series A Preferred Shares, if the relevant Conversion Date occurs during the Valuation Period, references to “10” in the preceding paragraph shall be deemed to be replaced with such lesser number of Trading Days as have elapsed from, and including, the Ex-Dividend Date of such Spin-Off to, and including, the Conversion Date in determining the Conversion Rate.

For purposes of this Section 11(a)(iii) (and subject in all respect to Section 11(h)), rights, options or warrants distributed by the Company to all holders of the Class A Common Shares entitling them to subscribe for or purchase shares of the Company’s Capital Stock, including Class A Common Shares (either initially or under certain circumstances), which rights, options or warrants, until the occurrence of a specified event or events (“**Trigger Event**”): (i) are deemed to be transferred with such Class A Common Shares; (ii) are not exercisable; and (iii) are also issued in respect of future issuances of the Class A Common Shares, shall be deemed not to have been distributed for purposes of this Section 11(a)(iii) (and no adjustment to the Conversion Rate under this Section 11(a)(iii) will be required) until the occurrence of the earliest Trigger Event, whereupon such rights, options or warrants shall be deemed to have been distributed and an appropriate adjustment (if any is required) to the Conversion Rate shall be made under this Section 11(a)(iii). If any such right, option or warrant, including any such existing rights, options or warrants distributed prior to the date of this Certificate of Designations, are subject to events, upon the occurrence of which such rights, options or warrants become exercisable to purchase different securities, evidences of indebtedness or other assets, then the date of the occurrence of any and each such event shall be deemed to be the date of distribution and Record Date with respect to new rights, options or warrants with such rights (in which case the existing rights, options or warrants shall be deemed to terminate and expire on such date without exercise by any of the holders thereof). In addition, in the event of any distribution (or deemed distribution) of rights, options or warrants, or any Trigger Event or other event (of the type described in the immediately preceding sentence) with respect thereto that was counted for purposes of calculating a distribution amount for which an adjustment to the Conversion Rate under this Section 11(a)(iii) was made, (1) in the case of any such rights, options or warrants that shall all have been redeemed or purchased without exercise by any holders thereof, upon such final redemption or purchase (x) the Conversion Rate shall be readjusted as if such rights, options or warrants had not been issued and (y) the Conversion Rate shall then again be readjusted to give effect to such distribution, deemed distribution or Trigger Event, as the case may be, as though it were a cash distribution, equal to the per share redemption or purchase price received by a holder or holders of Class A Common Shares with respect to such rights, options or warrants (assuming such holder had retained such rights, options or warrants), made to all holders of Class A Common Shares as of the date of such redemption or purchase, and (2) in the case of such rights, options or warrants that shall have expired or been terminated without exercise by any holders thereof, the Conversion Rate shall be readjusted as if such rights, options and warrants had not been issued.

For purposes of Section 11(a)(i), Section 11(a)(ii) and this Section 11(a)(iii), if any dividend or distribution to which this Section 11(a)(iii) is applicable also includes one or both of:

(A) a dividend or distribution of Class A Common Shares to which Section 11(a)(i) is applicable (the “**Clause I Distribution**”); or

(B) a dividend or distribution of rights, options or warrants to which Section 11(a)(ii) is applicable (the “**Clause II Distribution**”),

then, in either case, (1) such dividend or distribution, other than the Clause I Distribution and the Clause II Distribution, shall be deemed to be a dividend or distribution to which this Section 11(a)(iii) is applicable (the “**Clause III Distribution**”) and any Conversion Rate adjustment required by this Section 11(a)(iii) with respect to such Clause III Distribution shall then be made, and (2) the Clause I Distribution and Clause II Distribution shall be deemed to immediately follow the Clause III Distribution and any Conversion Rate adjustment required by Section 11(a)(i) and Section 11(a)(ii) with respect thereto shall then be made, except that, if determined by the Company (I) the “Record Date” of the Clause I Distribution and the Clause II Distribution shall be deemed to be the Record Date of the Clause III Distribution and (II) any Class A Common Shares included in the Clause I Distribution or Clause II Distribution shall be deemed not to be “outstanding immediately prior to the close of business on such Record Date or immediately after the open of business on such effective date, as applicable” within the meaning of Section 11(a)(i) or “outstanding immediately prior to the close of business on such Record Date” within the meaning of Section 11(a)(ii).

(iv) If any cash dividend or distribution is made to all or substantially all holders of the Class A Common Shares the Conversion Rate shall be adjusted based on the following formula:

$$CR' = CR_0 \times \frac{SP_0}{SP_0 - C}$$

where,

$CR_0$  = the Conversion Rate in effect immediately prior to the close of business on the Record Date for such dividend or distribution;

$CR'$  = the Conversion Rate in effect immediately after the close of business on the Record Date for such dividend or distribution;

$SP_0$  = the Closing Price of the Class A Common Shares on the Trading Day immediately preceding the Ex-Dividend Date for such dividend or distribution; and

$C$  = the amount in cash per share the Company distributes to all or substantially all holders of the Class A Common Shares.

Any increase pursuant to this Section 11(a)(iv) shall become effective immediately after the close of business on the Record Date for such dividend or distribution. If such dividend or distribution is not so paid, the Conversion Rate shall be decreased, effective as of the date the Board determines not to make or pay such dividend or distribution, to be the Conversion Rate that would then be in effect if such dividend or distribution had not been declared.

Notwithstanding the foregoing, if “C” (as defined above) is equal to or greater than “SP<sub>0</sub>” (as defined above), in lieu of the foregoing increase, each Holder shall receive, for each Series A Preferred Share, at the same time and upon the same terms as holders of Class A Common Shares, the amount of cash that such Holder would have received if such Holder owned a number of Class A Common Shares equal to the Conversion Rate on the Record Date for such cash dividend or distribution.

(v) If the Company or any of its Subsidiaries make a payment in respect of a tender or exchange offer for the Class A Common Shares that is subject to the then-applicable tender offer rules under the Exchange Act (other than any odd-lot tender offer), to the extent that the cash and value of any other consideration included in the payment per Class A Common Share exceeds the average of the Closing Prices of the Class A Common Shares over the 10 consecutive Trading Day period commencing on, and including, the Trading Day next succeeding the last date on which tenders or exchanges may be made pursuant to such tender or exchange offer, the Conversion Rate shall be increased based on the following formula:

$$CR' = CR_0 \times \frac{AC + (SP' \times OS')}{OS_0 \times SP'}$$

where,

CR<sub>0</sub> = the Conversion Rate in effect immediately prior to the close of business on the 10th Trading Day immediately following, and including, the Trading Day next succeeding the date such tender or exchange offer expires;

CR' = the Conversion Rate in effect immediately after the close of business on the 10th Trading Day immediately following, and including, the Trading Day next succeeding the date such tender or exchange offer expires;

AC = the aggregate value of all cash and any other consideration (as determined by the Company) paid or payable for Class A Common Shares validly tendered or exchanged and not withdrawn in such tender or exchange offer as of the date such tender or exchange offer expires;

OS<sub>0</sub> = the number of Class A Common Shares outstanding immediately prior to the date such tender or exchange offer expires (prior to giving effect to the purchase of all Class A Common Shares accepted for purchase or exchange in such tender or exchange offer);

OS' = the number of Class A Common Shares outstanding immediately after the date such tender or exchange offer expires (after giving effect to the purchase of all Class A Common Shares accepted for purchase or exchange in such tender or exchange offer); and

SP' = the average of the Closing Prices of the Class A Common Shares over the 10 consecutive Trading Day period commencing on, and including, the Trading Day next succeeding the date such tender or exchange offer expires.

The increase to the Conversion Rate under this Section 11(a)(v) shall occur at the close of business on the 10th Trading Day immediately following, and including, the Trading Day next succeeding the date such tender or exchange offer expires; *provided* that in respect of any conversion of Series A Preferred Shares, if the relevant Conversion Date occurs during the 10 Trading Days immediately following, and including, the Trading Day next succeeding the expiration date of any tender or exchange offer, references to "10" or "10th" in the preceding paragraph shall be deemed replaced with such lesser number of Trading Days as have elapsed from, and including, the Trading Day next succeeding the date that such tender or exchange offer expires to, and including, the Conversion Date in determining the Conversion Rate.

If the Company or one of its Subsidiaries is obligated to purchase Class A Common Shares pursuant to any such tender or exchange offer described in this Section 11(a)(v) but the Company or such Subsidiary is permanently prevented by applicable law from effecting any such purchase or all such purchases are rescinded, the Conversion Rate shall be readjusted to be the Conversion Rate that would then be in effect if such tender or exchange offer had not been made or had been made only in respect of the purchases that have been made.

(b) Voluntary Adjustments. In addition to those adjustments required by clause (a) of this Section 11, and subject to the applicable rules of any exchange on which any of the Company's securities are then listed, the Company from time to time may increase the Conversion Rate by any amount for a period of at least 20 Business Days if the Company in good faith determines that such increase would be in the Company's best interest. In addition, subject to the applicable rules of any exchange on which any of the Company's securities are then listed, the Company may (but is not required to) increase the Conversion Rate to avoid or diminish any income tax to holders of Class A Common Shares or rights to purchase Class A Common Shares in connection with a dividend or distribution of Class A Common Shares (or rights to acquire Class A Common Shares) or similar event. Whenever the Conversion Rate is increased pursuant to either of the preceding two sentences, the Company shall deliver to the Holder of each Series A Preferred Share a notice of the increase at least 15 days prior to the date the increased Conversion Rate takes effect, and such notice shall state the increased Conversion Rate and the period during which it will be in effect.

(c) Calculation of Adjustments. All adjustments to the Conversion Rate shall be calculated by the Company to the nearest 1/10,000th of one Class A Common Share (or if there is not a nearest 1/10,000th of a share, to the next lower 1/10,000th of a share). No adjustment to the Conversion Rate will be required unless such adjustment would require an increase or decrease of at least one percent of the Conversion Rate; *provided, however*, that any such adjustment that is not required to be made will be carried forward and taken into account in any subsequent adjustment; *provided, further*, that any such adjustment of less than one percent that has not been made will be made upon any Conversion Date or redemption or repurchase date.

(d) When No Adjustment Required.

(i) Except as otherwise provided in this Section 11, the Conversion Rate will not be adjusted for the issuance of Common Shares or any securities convertible into or exchangeable for Common Shares or carrying the right to purchase any of the foregoing, or for the repurchase of Common Shares.

(ii) Except as otherwise provided in this Section 11, the Conversion Rate will not be adjusted as a result of the issuance of, the distribution of separate certificates representing, the exercise or redemption of, or the termination or invalidation of, rights pursuant to any stockholder rights plans.

(iii) No adjustment to the Conversion Rate will be made:

(A) upon the issuance of any Class A Common Shares pursuant to any present or future plan providing for the reinvestment of dividends or interest payable on securities of the Company and the investment of additional optional amounts in Class A Common Shares under any plan;

(B) upon the issuance of any Class A Common Shares or options or rights to purchase such shares pursuant to any present or future employee, director or consultant benefit plan or program of or assumed by the Company or any of its Subsidiaries or of any employee agreements or arrangements or programs, including, without limitation, any share incentive plan of the Company;

(C) upon the issuance of any Class A Common Shares pursuant to any option, warrant, right, or exercisable, exchangeable or convertible security, including the Series A Preferred Shares;

(D) upon the repurchase of any Class A Common Shares pursuant to an open-market repurchase program or other buy-back transaction that is not a tender offer or exchange offer of the nature described in Section 11(a)(v);

(E) for dividends or distributions declared and paid to holders of Class A Common Shares to the extent the Holders participate pursuant to Section 4(g);

(F) for accumulated and unpaid dividends, if any; or

(G) for a change in the par value of the Class A Common Shares.

(e) Treasury Shares. For purposes of this Section 11, the number of Class A Common Shares at any time outstanding shall not include Class A Common Shares held in the treasury of the Company so long as the Company does not pay any dividend or make any distribution on Class A Common Shares held in the treasury of the Company, but shall include Class A Common Shares issuable in respect of scrip certificates issued in lieu of fractions of Class A Common Shares.

(f) Notice of Adjustments. Whenever the Conversion Rate is adjusted as provided under this Section 11, the Company shall promptly following the occurrence of an event that requires such adjustment (or if the Company is not aware of such occurrence, promptly after becoming so aware):

(i) compute the adjusted applicable Conversion Rate in accordance with this Section 11 and prepare and transmit to the Conversion Agent an Officer's Certificate setting forth the applicable Conversion Rate, the method of calculation thereof, and the facts requiring such adjustment and upon which such adjustment is based; and

(ii) provide a written notice to the Holders of the occurrence of such event and a statement in reasonable detail setting forth the method by which the adjustment to the applicable Conversion Rate was determined and setting forth the adjusted applicable Conversion Rate.

(g) Adjustments of Prices. Whenever any provision of this Certificate of Designations requires the Company to calculate the Closing Prices or the Daily VWAPs over a span of multiple days, the Company shall make appropriate adjustments to each to account for any adjustment to the Conversion Rate that becomes effective, or any event requiring an adjustment to the Conversion Rate where the Record Date, Ex-Dividend Date, Effective Date or expiration date, as the case may be, of the event occurs, at any time during the period when the Closing Prices or the Daily VWAPs are to be calculated.

(h) Rights Plan. If the Company has a shareholder rights plan in effect upon conversion of the Series A Preferred Shares, each Class A Common Share, if any, issued upon such conversion shall be entitled to receive the appropriate number of rights, if any, and the certificates representing the Class A Common Shares issued upon such conversion shall bear such legends, if any, in each case as may be provided by the terms of any such shareholder rights plan, as the same may be amended from time to time. However, if, prior to any conversion of Series A Preferred Shares, the rights have separated from the Class A Common Shares in accordance with the provisions of the applicable shareholder rights plan, the Conversion Rate shall be adjusted at the time of separation as if the Company distributed to all or substantially all holders of the Class A Common Shares Distributed Property as provided in Section 11(a)(iii), subject to readjustment in the event of the expiration, termination or redemption of such rights.

(i) Conversion Agent. The Conversion Agent shall not at any time be under any duty or responsibility to any Holder to determine whether any facts exist that may require any adjustment of the Conversion Rate or with respect to the nature or extent or calculation of any such adjustment when made, or with respect to the method employed in making the same. The Conversion Agent shall be fully authorized and protected in relying on any Officer's Certificate delivered pursuant to Section 11(f)(i) and any adjustment contained therein and the Conversion Agent shall not be deemed to have knowledge of any adjustment unless and until it has received such certificate. The Conversion Agent shall not be accountable with respect to the validity or value (or the kind or amount) of any Class A Common Shares, or of any securities or property, that may at the time be issued or delivered with respect to any Series A Preferred Shares and the Conversion Agent makes no representation with respect thereto. The Conversion Agent shall not be responsible for any failure of the Company to issue, transfer or deliver any Class A Common Shares pursuant to the conversion of Series A Preferred Shares or to comply with any of the duties, responsibilities or covenants of the Company contained in this Section 11.

(j) Fractional Shares. No fractional Class A Common Shares will be delivered to the Holders upon conversion or Redemption. In lieu of fractional shares otherwise issuable, the Holders will be entitled to receive, at the Company's sole discretion, either (i) an amount in cash equal to the fraction of a Class A Common Share *multiplied by* the Closing Price of the Class A Common Shares on the Trading Day immediately preceding the applicable Conversion Date or Redemption Date or (ii) one additional whole Class A Common Share. In order to determine whether the number of Class A Common Shares to be delivered to a Holder upon the conversion or Redemption of such Holder's Series A Preferred Shares will include a fractional share, such determination shall be based on the aggregate number of Series A Preferred Shares of such Holder that are being converted or redeemed.

Section 12. *Adjustment for Reorganization Events.*

(a) Reorganization Events. In the case of:

- (i) any recapitalization, reclassification or change of the Class A Common Shares (other than changes resulting from a subdivision or combination),
- (ii) any consolidation, merger, combination or similar transaction involving the Company,
- (iii) any sale, lease or other transfer to a third party of the consolidated assets of the Company and the Company's Subsidiaries substantially as an entirety or
- (iv) any statutory share exchange,

in each case, as a result of which the Class A Common Shares would be converted into, or exchanged for, stock, other securities, other property or assets (including cash or any combination thereof) (any such event, a "**Reorganization Event**"), then, at and after the effective time of such Reorganization Event, the right to convert each Series A Preferred Share at the Conversion Rate shall be changed into a right to convert such share into the kind and amount of shares of stock, other securities or other property or assets (including cash or any combination thereof) that a holder of a number of Class A Common Shares equal to the Conversion Rate immediately prior to such Reorganization Event would have owned or been entitled to receive (the "**Reference Property**," with each "**unit of Reference Property**" meaning the kind and amount of Reference Property that a holder of one Class A Common Share is entitled to receive) upon such Reorganization Event; *provided, however*, that at and after the effective time of the Reorganization Event (A) the Company shall continue to have the right to determine the form of consideration to be paid or delivered, as the case may be, upon any Redemption in accordance with Section 10(b) and any Class A Common Shares otherwise deliverable shall instead be deliverable in Reference Property, (B) the number of Class A Common Shares otherwise deliverable upon conversion of the Series A Preferred Shares in accordance with Section 6 and Section 7 shall instead be deliverable in the amount and type of Reference Property that a holder of that number of Class A Common Shares would have received in such Reorganization Event and (C) the Daily VWAP shall be calculated based on the value of a unit of Reference Property.

If the Reorganization Event causes the Class A Common Shares to be converted into, or exchanged for, the right to receive more than a single type of consideration (determined based in part upon any form of stockholder election), then (i) the Reference Property into which the Series A Preferred Shares will be convertible (or with which the Company may satisfy its obligation with respect to any Redemption Price) shall be deemed to be the weighted average of the types and amounts of consideration actually received by the holders of Class A Common Shares, and (ii) the unit of Reference Property for purposes of the immediately preceding paragraph shall refer to the consideration referred to in clause (i) attributable to one Class A Common Share. The Company shall notify Holders, the Transfer Agent and the Conversion Agent (if other than the Transfer Agent) of such weighted average as soon as practicable after such determination is made.

(b) Successive Reorganization Events. The foregoing provisions of this Section 12 shall similarly apply to successive Reorganization Events and the provisions of Section 11 shall apply to any shares of Capital Stock comprising the Reference Property in any such Reorganization Event.

(c) Reorganization Event Notice. The Company (or any successor) shall, on or prior to the later of (i) the thirtieth (30th) calendar day prior to the anticipated effective date of any Reorganization Event and (ii) the fifth (5th) Business Day following the Company's public announcement of such Reorganization Event, provide written notice to the Holders of such occurrence of such event and of the kind and amount of the cash, securities or other property that constitutes (or is expected to constitute) the Reference Property.

(d) Reorganization Event Agreements. The Company shall not enter into any agreement for a transaction constituting a Reorganization Event unless (i) such agreement provides for or does not interfere with or prevent (as applicable) conversion of the Series A Preferred Shares into the Reference Property in a manner that is consistent with and gives effect to this Section, and (ii) to the extent that the Company is not the surviving Person in such Reorganization Event or will be wound up in connection with such Reorganization Event, proper provision shall be made in the agreements governing such Reorganization Event for the conversion of the Series A Preferred Shares into equity of the Person surviving such Reorganization Event or such other continuing entity in such Reorganization Event.

### Section 13. *Voting Rights*.

(a) General. Holders shall not have any voting rights except as set forth in this Section 13 or as otherwise from time to time specifically required by the Companies Law. This Certificate of Designations may be amended with the consent of the Holders as set forth in Section 4.11(a) of the Articles; *provided* that without the consent of any Holder, the Company may amend, alter, supplement, or repeal any terms of the Series A Preferred Shares for the following purposes: (i) to cure any ambiguity, defect, inconsistency or mistake, or to correct or supplement any provision contained in this Certificate of Designations establishing the terms of the Series A Preferred Shares that may be defective or inconsistent with any other provision contained in this Certificate of Designations, so long as such action does not adversely affect the special rights, preferences, privileges or voting powers of the Series A Preferred Shares; (ii) so long as such action does not adversely affect the special rights, preferences, privileges or voting powers of the Series A Preferred Shares, and limitations and restrictions thereof, to make such other provisions in regard to matters or questions relating to the Series A Preferred Shares that is not inconsistent with the provisions of this Certificate of Designations; or (iii) to waive any of the Company's rights with respect thereto.

(b) Adverse Changes. So long as any Series A Preferred Shares are outstanding, the vote or consent of the Holders of at least a majority of the Series A Preferred Shares outstanding at such time, voting together as a separate class, given in person or by proxy, either in writing without a meeting or by vote at any meeting called for the purpose, will be necessary for effecting or validating any of the following actions, whether or not such approval is required pursuant to the Companies Law:

(i) any amendment, alteration or repeal (whether by merger, consolidation or otherwise) of any provision of the Articles (not including, for the avoidance of doubt, this Certificate of Designations) in a manner materially adverse to the rights, preferences, privileges or voting power of the Series A Preferred Shares;

(ii) any amendment or alteration (whether by merger, consolidation or otherwise) of, or any supplement (whether by a certificate of designations or otherwise) to, the Articles or any provision thereof, or any other action to authorize or create, or increase the number of authorized or issued shares of, or any securities convertible into shares of, or reclassify any security into, or issue, any Senior Stock or any other class or series of Capital Stock of the Company ranking senior to the Series A Preferred Shares as to dividend rights or rights on the distribution of assets on any voluntary or involuntary liquidation or winding up of the affairs of the Company; and

(iii) any increase in the authorized number of Series A Preferred Shares or issuance of Series A Preferred Shares after the Original Issuance Date other than (i) shares issued as PIK Dividends with respect to Series A Preferred Shares that were issued on the Original Issuance Date or (ii) successive issuances of PIK Dividends with respect to Series A Preferred Shares that were issued under the preceding clause (i) or this clause (ii);

*provided, however,* that (A) with respect to the occurrence of any of the events set forth in clause (i) of this Section 13(b) by way of a Reorganization Event, so long as (1) Series A Preferred Shares remain outstanding with the terms thereof materially unchanged, or (2) the Holders receive equity securities with rights, preferences, privileges and voting power substantially the same or more favorable as those of the Series A Preferred Shares, then the occurrence of such event shall not be deemed to adversely affect such rights, preferences, privileges or voting power of the Series A Preferred Shares, and in such case such Holders shall not have any voting rights with respect to the occurrence of any of the events set forth in clause (i) of this Section 13(b) and (B) the authorization or creation of, or the increase in the number of authorized or issued shares of, or any securities convertible into shares of, or the reclassification of any security (other than the Series A Preferred Shares) into, or the issuance of, Parity Stock or Junior Stock will not require the vote the Holders.

(c) Each Holder will have one vote per share on any matter on which Holders are entitled to vote separately as a class, whether at a meeting or by written consent.

Section 14. *Preemptive Rights.* Except for the right to participate in any issuance of new equity securities by the Company as set forth in the Securities Purchase Agreement, the Holders shall not have any preemptive rights.

Section 15. *Term.* Except as expressly provided in this Certificate of Designations, the Series A Preferred Shares shall not be redeemable or otherwise mature and the term of the Series A Preferred Shares shall be perpetual.

Section 16. *Creation of Capital Stock.* Subject to Section 13(b)(ii) and Section 13(b)(iii), the Board, without the vote of the Holders, may authorize and issue additional shares of Capital Stock of the Company.

Section 17. *No Sinking Fund.* Series A Preferred Shares shall not be subject to or entitled to the operation of a retirement or sinking fund.

Section 18. *Transfer Agent, Conversion Agent, Registrar and paying agent.*

(a) The duly appointed Transfer Agent, Conversion Agent, Registrar and paying agent for the Series A Preferred Shares shall be American Stock Transfer and Trust Company, LLC (AST Financial). The Company may, in its sole discretion, appoint any other Person to serve as Transfer Agent, Conversion Agent, Registrar or paying agent for the Series A Preferred Shares and thereafter may remove or replace such other Person at any time. Upon any such appointment or removal, the Company shall send notice thereof to the Holders.

(b) None of the Company, the Transfer Agent, the Registrar or any co-Registrar shall be required to exchange or register a transfer of (i) any Series A Preferred Share surrendered for conversion, (ii) any Series A Preferred Share surrendered for repurchase in accordance with Section 9 or (iii) any Series A Preferred Share selected for redemption or with respect to which a redemption has been requested, in either case in accordance with Section 10.

Section 19. *Replacement Certificates.*

(a) Mutilated, Destroyed, Stolen and Lost Certificates. If physical certificates evidencing the Series A Preferred Shares are issued, the Company shall replace any mutilated certificate at the Holder's expense upon surrender of that certificate to the Transfer Agent. The Company shall replace certificates that become destroyed, stolen or lost at the Holder's expense upon delivery to the Company and the Transfer Agent of satisfactory evidence that the certificate has been destroyed, stolen or lost, together with any indemnity that may be required by the Transfer Agent and the Company.

(b) Certificates Following Conversion. If physical certificates representing the Series A Preferred Shares are issued, the Company shall not be required to issue replacement certificates representing Series A Preferred Shares on or after the Conversion Date applicable to such shares. In place of the delivery of a replacement certificate following the applicable Conversion Date, the Transfer Agent, upon receipt of the satisfactory evidence and indemnity described in Section 19(a), shall deliver the Class A Common Shares issuable upon conversion of such Series A Preferred Shares formerly evidenced by the physical certificate.

Section 20. *Taxes.*

(a) Transfer Taxes. The Company shall pay any and all stock transfer, documentary, stamp and similar taxes that may be payable in respect of any issuance or delivery of Series A Preferred Shares or Class A Common Shares or other securities issued on account of Series A Preferred Shares pursuant hereto or certificates representing such shares or securities. However, in the case of conversion of Series A Preferred Shares or Redemption, the Company shall not be required to pay any such tax that may be payable in respect of any transfer involved in the issuance or delivery of Series A Preferred Shares, Class A Common Shares or other securities to any person other than the Holder of the Series A Preferred Shares, and shall not be required to make any such issuance, delivery or payment unless and until the Person otherwise entitled to such issuance, delivery or payment has paid to the Company the amount of any such tax or has established, to the satisfaction of the Company, that such tax has been paid or is not payable.

(b) Withholding. All payments and distributions (or deemed distributions) on the Series A Preferred Shares (and on the Class A Common Shares received upon their conversion or Redemption) shall be subject to withholding and backup withholding of taxes to the extent required by law, subject to applicable exemptions, and amounts withheld, if any, shall be treated as received by the Holders.

Section 21. *Notices.* All notices referred to herein shall be in writing and, unless otherwise specified herein, all notices hereunder shall be deemed to have been given upon the earlier of receipt thereof or three (3) Business Days after the mailing thereof if sent by registered or certified mail with postage prepaid, or by private courier service addressed: (i) if to the Company, to its office at Afya Limited, Alameda Oscar Niemeyer, No. 119, Salas 502, 504, 1,501 and 1,503, Vila da Serra, Nova Lima, Minas Gerais, Brazil, Attention: Anibal Sousa, Email: anibal.sousa@afya.com, (ii) if to any Holder, to such Holder at the address of such Holder as listed in the books and records of the Company (which may include the records of the Transfer Agent) or (iii) to such other address as the Company or any such Holder, as the case may be, shall have designated by notice similarly given.

Section 22. *Record Holders.* To the fullest extent permitted by applicable law, the Company and the Transfer Agent may deem and treat the Holder of any Series A Preferred Shares as the true and lawful owner thereof for all purposes.

Section 23. *Waiver.* Notwithstanding any provision in this Certificate of Designations to the contrary, any provision contained herein and any right of the Holders granted hereunder may be waived as to all Series A Preferred Shares (and the Holders thereof) upon the vote or written consent of the Holders of a majority of the Series A Preferred Shares then outstanding.

Section 24. *Severability.* If any term of the Series A Preferred Shares set forth herein is invalid, unlawful or incapable of being enforced by reason of any rule of law or public policy, all other terms set forth herein which can be given effect without the invalid, unlawful or unenforceable term will, nevertheless, remain in full force and effect, and no term herein set forth will be deemed dependent upon any other such term unless so expressed herein.

Section 25. *Rule 144A Information.* The Company will, during any period in which the Company is not subject to Section 13 or 15(d) of the Exchange Act, furnish to Holders of the Series A Preferred Shares and prospective investors, upon request, the information required to be delivered pursuant to Rule 144A(d)(4) under the Securities Act.

Section 26. *No Other Rights.* The Series A Preferred Shares will have no rights, preferences or voting powers except as provided in this Certificate of Designations or the Articles or as required by applicable law; *provided, however*, that in the event of any conflict between the Articles and the provisions set forth in this Certificate of Designations, the Company shall use good faith efforts to cause the shareholders of the Company to take such actions necessary to amend the Articles to reflect the provisions of this Certificate of Designations.

Section 27. *Form of Series A Preferred Shares.*

(a) The Series A Preferred Shares shall initially be issued in uncertificated, book-entry form on the books and records of the Transfer Agent (such books and records shall constitute the register of members of the Company for the purposes of Cayman Islands law), subject to applicable legends (in the form of notations on such records or otherwise) as set forth in this Certificate of Designations or as otherwise may be advisable in the Company's discretion. The Company may elect in its discretion, following a request from a Holder, to issue Series A Preferred Shares by physical share certificates in the form set forth as Exhibit A hereto. Share certificates representing Series A Preferred Shares shall be signed by an authorized Officer of the Company, in accordance with the Articles and applicable law, by manual or facsimile signature. A share certificate representing Series A Preferred Shares shall not be valid until countersigned by manual or facsimile signature by an authorized signatory of the Transfer Agent and Registrar. If any Officer of the Company who has signed a share certificate no longer holds that office at the time the Transfer Agent and Registrar countersigns the share certificate, the share certificate shall be valid nonetheless.

(b) No Series A Preferred Shares or Class A Common Shares issued in respect thereof may be exchanged for global shares in the name of The Depository Trust Company or its nominee unless and until the transfer restrictions described in Section 28 and in any restrictive legend on the face of, or otherwise annotated with respect to, such Series A Preferred Share or Class A Common Share no longer applies to such share, unless otherwise agreed by the Company and the Transfer Agent.

Section 28. *Transfer Restrictions.*

(a) Each Series A Preferred Share (and every security issued in exchange therefor or substitution thereof, except any Class A Common Shares issued upon conversion or Redemption thereof) shall not be transferred except in compliance with the Securities Purchase Agreement, and each Holder of Series A Preferred Shares, by such Holder's acceptance of such Series A Preferred Share, shall be deemed to be bound by such restriction on transfer. Each share certificate or notation evidencing the Series A Preferred Shares (and every security issued in exchange therefor or substitution thereof, except any Class A Common Shares issued upon conversion or Redemption thereof, which shall bear the legend set forth in Section 28(b), if applicable) shall bear a legend in substantially the following form:

THIS SECURITY HAS NOT BEEN REGISTERED UNDER THE U.S. SECURITIES ACT OF 1933, AS AMENDED, OR ANY NON-U.S. OR STATE SECURITIES LAWS AND MAY NOT BE OFFERED, SOLD, PLEDGED, CHARGED OR OTHERWISE TRANSFERRED EXCEPT IN COMPLIANCE THEREWITH. THIS SECURITY IS ALSO SUBJECT TO ADDITIONAL RESTRICTIONS ON TRANSFER AS SET FORTH IN THE SECURITIES PURCHASE AGREEMENT DATED AS OF APRIL 26, 2021, AS AMENDED FROM TIME TO TIME, COPIES OF WHICH MAY BE OBTAINED UPON REQUEST FROM AFYA LIMITED OR ANY SUCCESSOR THERETO, AND THIS SECURITY MAY NOT BE VOTED OR OFFERED, SOLD, PLEDGED, CHARGED OR OTHERWISE TRANSFERRED EXCEPT IN COMPLIANCE THEREWITH.

(b) If any Class A Common Shares are issued upon conversion or Redemption of any Series A Preferred Shares, then any share certificate representing such Class A Common Shares (or book-entries with respect thereto) shall bear a legend in substantially the following form (unless such Class A Common Shares have been transferred pursuant to a registration statement that has become or been declared effective under the Securities Act and that continues to be effective at the time of such transfer, or pursuant to the exemption from registration provided by Rule 144 or any similar provision then in force under the Securities Act, or unless otherwise agreed by the Company with written notice thereof to the Transfer Agent and Registrar and the transfer agent for the Class A Common Shares (if other than the Transfer Agent or Registrar)):

THIS SECURITY HAS NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED (THE “**SECURITIES ACT**”), AND MAY NOT BE OFFERED, SOLD, PLEDGED, CHARGED OR OTHERWISE TRANSFERRED EXCEPT IN ACCORDANCE WITH THE FOLLOWING SENTENCE. BY ITS ACQUISITION HEREOF OR OF A BENEFICIAL INTEREST HEREIN, THE ACQUIRER AGREES FOR THE BENEFIT OF AFYA LIMITED (THE “**COMPANY**”) THAT IT WILL NOT OFFER, SELL, PLEDGE, CHARGE OR OTHERWISE TRANSFER THIS SECURITY OR ANY BENEFICIAL INTEREST HEREIN EXCEPT:

- (A) TO THE COMPANY OR ANY SUBSIDIARY THEREOF, OR
- (B) PURSUANT TO A REGISTRATION STATEMENT WHICH HAS BECOME EFFECTIVE UNDER THE SECURITIES ACT, OR
- (C) PURSUANT TO AN EXEMPTION FROM REGISTRATION PROVIDED BY RULE 144 UNDER THE SECURITIES ACT OR ANY OTHER AVAILABLE EXEMPTION FROM THE REGISTRATION REQUIREMENTS OF THE SECURITIES ACT.

PRIOR TO THE REGISTRATION OF ANY TRANSFER IN ACCORDANCE WITH CLAUSE (2)(C) ABOVE, THE COMPANY AND THE TRANSFER AGENT FOR THE COMPANY'S CLASS A COMMON SHARES RESERVE THE RIGHT TO REQUIRE THE DELIVERY OF SUCH LEGAL OPINIONS, CERTIFICATIONS OR OTHER EVIDENCE AS MAY REASONABLY BE REQUIRED IN ORDER TO DETERMINE THAT THE PROPOSED TRANSFER IS BEING MADE IN COMPLIANCE WITH THE SECURITIES ACT AND APPLICABLE STATE SECURITIES LAWS. NO REPRESENTATION IS MADE AS TO THE AVAILABILITY OF ANY EXEMPTION FROM THE REGISTRATION REQUIREMENTS OF THE SECURITIES ACT.

Any such Class A Common Shares for which restrictions on transfer set forth in the Securities Purchase Agreement has expired and (i) that has been transferred pursuant to a registration statement that has become or been declared effective under the Securities Act and that continues to be effective at the time of such transfer or (ii) that has been sold pursuant to the exemption from registration provided by Rule 144 or any similar provision then in force under the Securities Act, may, upon surrender of the certificates representing such Class A Common Shares for exchange in accordance with the procedures of the transfer agent for the Class A Common Shares, be exchanged for a new certificate or certificates for a like aggregate number of Class A Common Shares, which shall not bear the restrictive legend required by this Section 28(b).

(c) As used in this Section 28, the term “**transfer**” encompasses any sale, pledge, charge, transfer or other disposition whatsoever of any Series A Preferred Shares or Class A Common Shares issued upon conversion or Redemption thereof, as the case may be.

Section 29. *Payments and Deliveries.* Notwithstanding anything to the contrary herein, all payments of cash by the Company in respect of the Series A Preferred Shares shall be made in USD, at the BRL to USD Exchange Rate as of the Business Day immediately preceding the date of payment (to the extent applicable). Any cash payments may be paid by the Company, directly or through the procedures of the Transfer Agent, by wire transfer to the applicable Holder's account if such Holder has provided the Company and/or the Transfer Agent with the requisite information necessary to make such wire transfer, which information shall remain on file and in effect until the Holder notifies the Company and the Transfer Agent to the contrary in writing. The Company shall not have any responsibility for any delay in payments of cash or deliveries of shares to be made by the Transfer Agent.

Section 30. *Governing Law.* This Certificate of Designations will be governed by and construed in accordance with the laws of the Cayman Islands.
